WHERE DO YOU WANT TO
**ESCAPE DURING
WEEKENDS?**

In apartments, celebrations are subjected to rules, children's exposure to Mother nature is limited to storybooks and of course, the cramped balcony garden. What about the long, tedious wait in front of the elevator while also trying to avoid the pesky neighbour's eyes? It's time your family had a regular weekend escape.

CULTIVATE DREAMS IN YOUR OWN FARM PLOT

Invest in the perfect weekend getaway spot at Sindhura Lake View, far away from the hustle and bustle of city life. This 9-acre farm has plots ranging from 5500 to 8795 sq feet. It's just 15 min from Ramanagara and a scenic 45 mins drive from Kengeri.

Enjoy some quality time with your family, by the shade of a cluster of mango trees. Cook up culinary delights with fresh vegetables and fruits, grown at your own farm. Watch your little ones have the best time of their lives in the great, muddy outdoors.

LIKE A TRIP TO THE GALLERY OF
**NATURE'S
FINEST WORKS**

Sindhura Lake View is far from being just a farm plot, it's a haven where nature's gifts huddle together. Go fishing at the nearby pristine lake, with its rhythmic gush keeping you company. Treat your senses to the magical view of the hills and breathe in the freshest air ever or relax under the shade of mango trees.

Mango trees on each plot.

Vaastu compliant project.

24 x 7 Security with CCTV at the gate.

Fenced project for safety and privacy.

Next to a pristine lake and valley.

Underground water for each plot.

LED Solar Lights in Prime Location.

SECURE YOUR FARM PLOT WITH PREMIUM FACILITIES

Sindhura Lake View offers you an opportunity to connect with nature and grow your own plants. Our plots come with tailored planting options and we'll also support you in nurturing them. We've carefully designed the plots to preserve existing mango trees, blending with the natural environment while allowing for new plantations. Our experts will also help you choose from a variety of plants like Teak, Mahogany, Guava, Sapota, Lemon and more.

Hasiru Jeevana Farms is an organization primarily dedicated to advocating farming as a concept and solution for urban communities, with a central focus on implementing sustainable farming practices. From utilizing technology and natural innovative growing techniques to minimizing waste, we're dedicated to preserving the environment while yielding abundant harvests. Our aim is to bridge the gap between urban living and rural farming culture. The wisdom of our ancestors who lived closely with the land. We're on a mission to share this legacy with future generations, fostering an understanding of farming's value and its role in a balanced urban life.

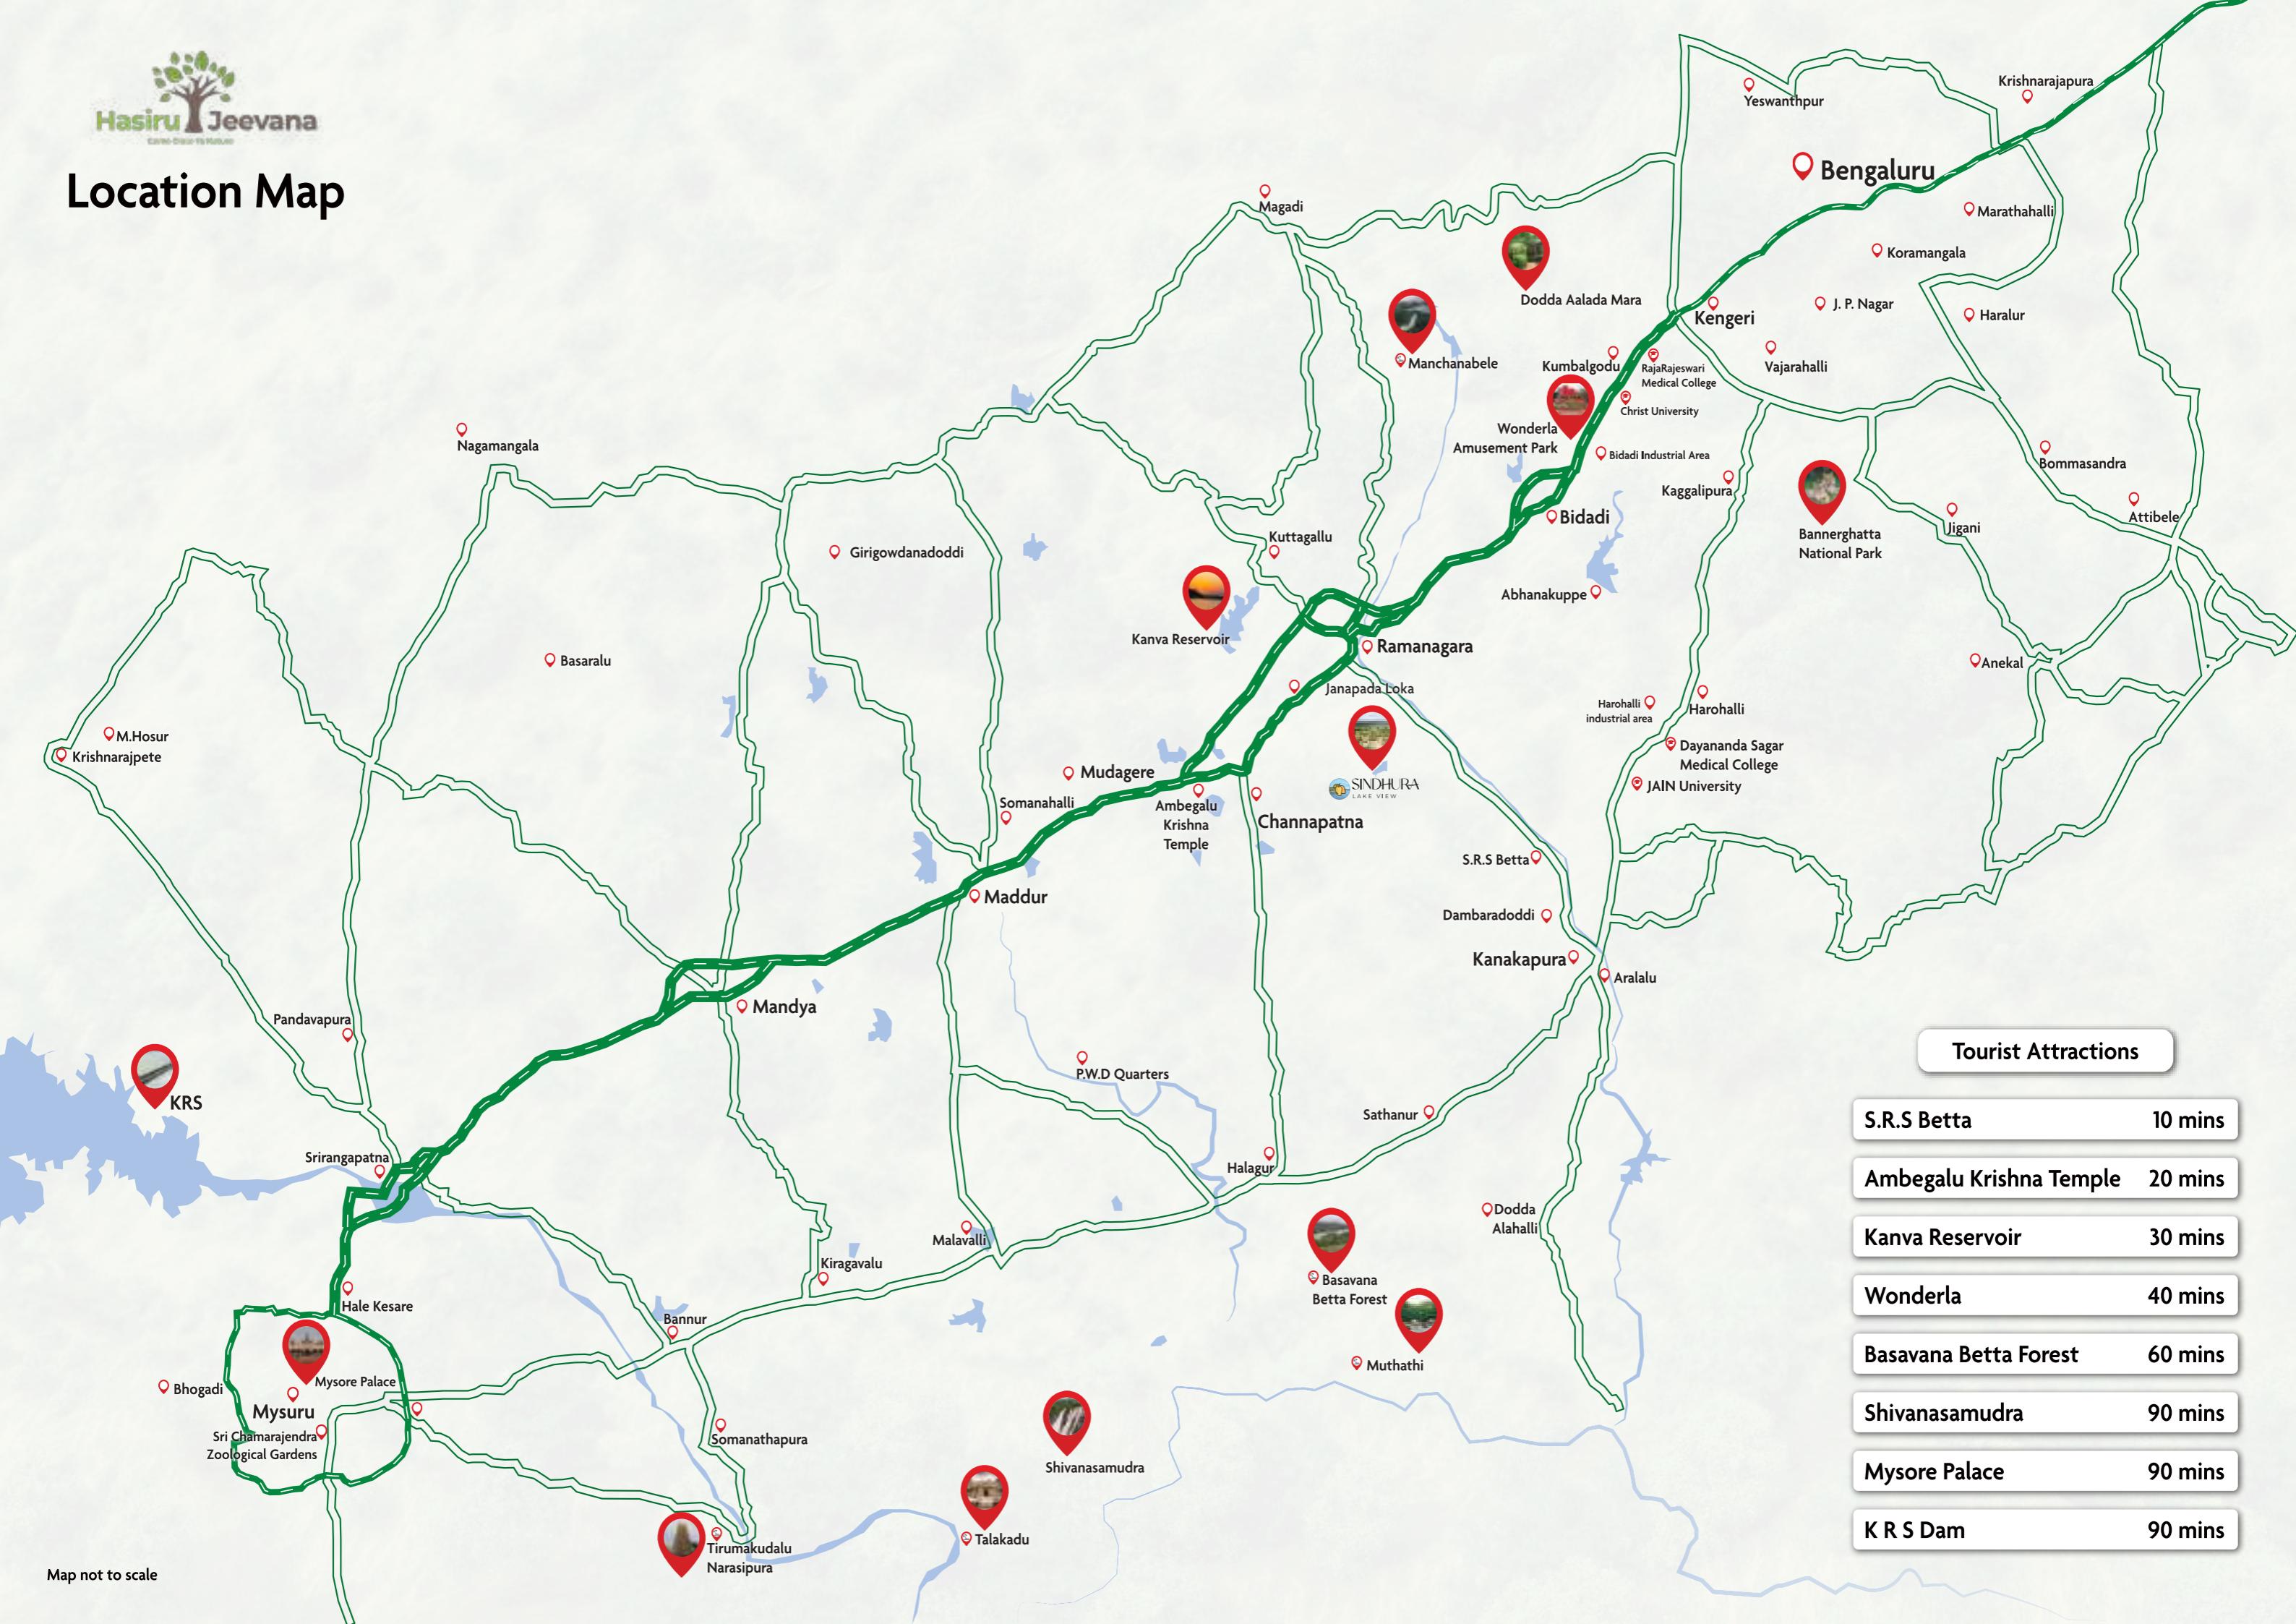

Join us as we embark on this remarkable journey of growth, community, and nature. Experience the transformational power of farming at Hasiru Jeevana Farms – Where urban living flourishes with rural roots.

Sindhura Lake View Farms, the flagship agricultural initiative of Hasiru Jeevana Farms, serves as a testament to the company's unwavering commitment to achieving excellence through the cultivation of eco-friendly farming practices and sustainable principles. It is strategically situated in a pristine location that offers breathtaking views of a picturesque lake and the surrounding hills. This serene environment allows for a peaceful retreat away from the noise and stress of urban living.
